**HOSTED BY:
MEGHALAYA SURGICAL SOCIETY,
SHILLONG**

Dear Colleagues

On behalf of the organizing committee it is our pleasure in inviting you to "NEIAPSCON-2006", organized by the Meghalaya Surgical Society. There is a pre-conference workshop on 1st December 2006 followed by the Scientific Session on 2 December 2006. Shillong is the capital of the state of Meghalaya, one of the better known hill stations in the North East with a rich and vibrant amalgam of various indigenous cultures and traditions.

Meghalaya is a spectacularly beautiful land, endowed with the best nature has to offer. Plenty of rain and the unique topography give rise to many cascading waterfalls, sparkling streams and verdant pine forests that cover the hills sides.

For the connoisseur there are many trekking routes and wonderful natural caverns to explore. The list is endless... yes Shillong beckons you! Come join us in the crisp December air for an invigorating scientific session in the land where the clouds come to rest on the mountain tops.
